**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING INTERVENTION REQUEST OF DEPARTMENT OF  
DEFENSE/FEDERAL EXECUTIVE AGENCIES**

On April 9, 2003, the United States Department of Defense and all other Federal Executive Agencies (DOD/FEA) filed a motion to intervene in the above-captioned proceeding. There were no responses to the motion.

DOD/FEA are large consumers of telecommunications services in the state of California and contend that the rates for unbundled network elements will affect DOD/FEA. DOD/FEA maintain they will not unduly broaden the issues in the case nor unduly delay the schedule. Good cause having been shown, the request to intervene should be granted.

Therefore, **IT IS RULED** that:

1. The motion to intervene filed by the United States Department of Defense and all other Federal Executive Agencies is granted.

2. The Commission's Process Office and the parties are directed to add the following names to the service list for the Verizon UNE phase of this proceeding.
